Tuesday, September 19, 2006

9 a.m. to 1 p.m.

Blacksburg Community Center

725 Patrick Henry Drive, Blacksburg, Virginia

Open to all AARP Members in the New River Valley and the General Public

Carl's Corner (Carl McDaniels, President):

The days are growing shorter, the nights are turning cooler and the dogwoods are starting to change color. To me this is a beautiful season of the year. For AARP Blacksburg this also means our September 19, 2006 Health and Wellness Fair. This year our key committee of Jo Ann Underwood, Angela Little and Harriet Damant have worked for months to bring all this together. There will be **four very informative seminars, interesting exhibits**, frequent drawing of **useful prizes**-such as 4 copies of the AARP GUIDE TO PILLS and a \$100.00 Gift Card from Kroger. This year there will be three videos starting off at 9:15 AM with AARP Visiting Geriatric Scholar Dr *Bill Thomas* in a Conversation About Your Medicines and You. There will be coffee and Carol Lee Donuts for early birds, with a lunch available for a small fee.

Most of all though, is the fun of seeing other AARP'ers from all around the area learning about how to improve their health and wellness. See you at the Fair September 19 at the Blacksburg Community Center, another part of our year long 30th Anniversary Celebration.

HEALTH AND WELLNESS FAIR BITS

One of numerous exhibits: VT Professor *Kathy Hosig* is helping a VT nutrition grad student, *Clara Lau*, recruit volunteers for a research project. *Lau* would like to have some older people taste test a dairy product she has formulated. The product is a milk-based drink that contains flax oil.

An interesting film at the Fair: The *Funeral Consumers Alliance of the Virginia Blue Ridge* is pleased to present a showing of the movie "**Strangers in Good Company**" at the AARP Health Fair, September 19th at 10:00 a.m. In this touching film a group of elderly women are stranded near a deserted house when their tour bus breaks down. How they cope, as individuals and as a group, is interwoven with scenes from their earlier days.

UPCOMING PROGRAMS

September 19: We are all looking forward to The Health and Wellness Fair at the Blacksburg Community Center on this date from 9:00 a.m. to 1:00 p.m. There will be something for everyone -- exhibitors, seminars, movies and videos, free handouts, giveaways, door prizes and food.

October 17: Protecting Seniors from Identity Theft, a talk presented by Professor *Irene Leech*, associate professor of Consumer Affairs at Virginia Tech. *Dr. Leech* also is president of the Virginia Consumers Citizens Council. We will also have a short program about Court Appointed Special Advocates (CASA) given by *Teena Vernon*, CASA Volunteer Coordinator.

November 21: *Jack Leahy* and *Joy Herbert* will fill us in about the variety of programs the Senior Center has to offer seniors. There will also be two short presentations: one by *Elva Miller* about the Christmas Store, and a second by *Gail Billingsley* about the YMCA and its new multi-purpose building and Thrift Shop.

December 4: Our AARP chapter provides breakfast at the Senior Center starting at 10:00 a.m.

December 5: Annual Holiday Luncheon at the Holiday Inn starting at 11:30 a.m.

Don't miss the information or the fun! Hope to see you at all of our programs.

FOTHERINGAY: Lecture and Tour, 6 p.m. at Fotheringay, Thursday, September 21, 2006 sponsored by the *Blacksburg Museum and Smithfield Plantation* Lecture Series. Colonel George Hancock was born in Chesterfield County in 1754 and built his grand plantation estate, Fotheringay, in 1796 near present-day route 460 in Shawsville. Colonel Hancock was trained as an attorney and served as aide-de-camp to Count Casimir Pulaski during the Revolutionary War. From 1793 to 1797 he served as a Representative from Virginia in the United States Congress. Visitors will hear a brief lecture on the home's esteemed history before touring the interior. **Please note** that parking is limited and visitors are encouraged to car pool. For directions to Fotheringay or for more information visit www.blacksburg.gov/museum and then go to Special Events, or call Jessica (540-558-0730).

THE LIGHTER SIDE

--- I've sure gotten old! I've had two bypass surgeries, a hip replacement, new knees. Fought prostate cancer and diabetes I'm half blind, can't hear anything quieter than a jet engine, take 40

different medications that make me dizzy, winded, and subject to blackouts. Have bouts with dementia. Have poor circulation; hardly feel my hands and feet anymore. Can't remember if I'm 85 or 92. Have lost all my friends. But, thank heaven, I still have my driver's license.

MONTGOMERY COUNTY CHRISTMAS STORE—Support our community partner

In an effort to raise funds for the Montgomery County Christmas Store, the Blacksburg AARP Chapter is working together with Barnes & Noble to host a Book Fair at their Christiansburg store in Spradlin Farms Shopping Center.

The **Book Fair** will be held from **9 a.m to 11 p.m. on Saturday, November 4, 2006**, when Barnes & Noble will donate to the Christmas Store, a **percentage of every sale made with an accompanying Book Fair Voucher.**

These vouchers will be available at the AARP Chapter table during the Health and Wellness Fair at the Blacksburg Community Center on September 19th from 9 a.m. to 1 p.m. The vouchers will also be available for download from our Chapter website, at the October AARP Chapter Meeting on October 17th, and at the Book Fair on November 4th at Barnes & Noble.

Support The Montgomery County Christmas Store by shopping at the November 4th Barnes & Noble Book Fair with a Book Fair voucher.

AN UNEXPECTED SURPRISE: This summer at an AARP Virginia Regional Meeting in Blacksburg our Chapter was presented a beautiful plaque honoring our 30th Anniversary (June 29, 2006). Photo: (left) *Terry Edwards*, AARP Manager of Training and Development, Volunteer Resources, presents plaque to VP *Jim Gaines* (center). *Dan Level* represented AARP VA. The plaque was signed by AARP Executive Director *William Novelli* & AARP President *Erik Olsen*. A very nice letter (reprinted below) came along with the plaque.

June 2006

Dear Blacksburg Chapter 2613 of AARP, Inc.:

On your 30th Anniversary, we would like to extend our personal congratulations and best wishes to the officers, directors and members of your outstanding organization. We are grateful for the efforts of your chapter's leaders and members over the past 30 years to achieve the goals of AARP in your community.

You should take special pride—as we do—in the continued success of chapters throughout the nation. This year, there are over 2,200 chapters active across the country. The members who founded your chapter shared the vision of AARP's founder, Dr. Ethel Percy Andrus, by bringing members together "To Serve, Not To Be Served." I know you share that commitment as well.

Your chapter's information and education programs, legislative advocacy efforts and community service activities, all of which draw strength from the fellowship of your members, benefit not only AARP, but also your community, your state and the nation. By pooling your talents and experience, partnering with your AARP State Office, and promoting the active engagement of your neighbors, you are giving back to society, accomplishing the mission of our Association and leaving a rich legacy for those who will follow you.

In recognition of your anniversary, we are pleased to present you with the enclosed plaque as a token of our appreciation and a symbol of your chapter's milestone achievement. With it comes our best wishes for your continued success.

Sincerely,

Erik D. Olsen
President

THE POWER TO MAKE IT BETTER

Volunteers are the heart of AARP. The members of the board of directors and national officers are all unpaid volunteers, as are the field volunteer directors, state presidents and thousands of legislative and program volunteers and chapter leaders. They are involved in advocacy at the national and state level and innovative community service and education programs, including tax preparation assistance; driver training and re-education; grief and loss counseling; and independent living programs. AARP has some 35 million members and it is anticipated AARP Virginia will reach 1 million, yes that's **one million** members by the end of this year. Wow! What a difference we can make by working together. We indeed do have THE POWER TO MAKE IT BETTER.
