Chapter 2613

## President's Comments

Members who participate in the monthly meetings already know about the timely programs that were presented in 1996. I want to encourage members who don't participate in the monthly meetings to make a New Year's resolution to attend the January and February meetings. I believe once you attend two (2) meetings, you will be convinced of the importance of meeting together to discuss issues that affect us all. Dr. Helen Wells, our program committee chair, and her committee has done a wonderful job scheduling a mixture of informative and entertaining programs. With the many different needs represented in our chapter, we realize that every program cannot address the needs of every member, but we hope that during the year everyone's individual needs can be addressed.

I look forward to serving as your President. I encourage you to call the committee chair that represents your needs or desires and share your suggestions with him/her. We will try to offer the kind of programs that interest you.

Please join me, as you have occasion, to thank Mr. Jim Owen for his wonderful leadership during 1996.
